LRT Sustainable Urban Integration Guidelines

JULY 17, 2017 UPDATED DRAFT

ORIGINALLY PUBLISHED DECEMBER 31, 2012

ENGINEERING CONSULTING SERVICES FOR
PRELIMINARY ENGINEERING FOR
EDMONTON'S LIGHT RAIL TRANSIT

“

The LRT Expansion Plan will deliver a high quality, fully accessible, safe, efficient and environmentally sustainable LRT Network that maximizes passenger convenience and supports the City's continuing economic prosperity, serving and in turn being served by, transit-oriented land use policies.

”
