

2024

CONSULTING ENGINEERS of ALBERTA

SHOWCASE AWARDS

Thank you!

Consulting Engineers of Alberta would like to thank our member firms and external sponsors for their continued support.

For 27 years, the Showcase Awards have been celebrating the best in Alberta's consulting engineers sector. The awards have recognized engineers who have achieved excellence in their fields. At the Showcase Awards Gala, the winners are recognized for their innovation, expertise and leadership in Alberta's consulting engineers community. To learn more about the Consulting Engineers of Alberta please visit our website: www.cea.ca

An aerial view of a city is shown from a high angle. In the foreground, a young boy with short blonde hair, wearing a purple tank top, and a man wearing a dark blue baseball cap and a dark hoodie are sitting on a ledge, looking out over the city. A large, bright green circular graphic element is overlaid on the image, framing the scene.

Question today *Imagine tomorrow* Create for the future

WSP is Canada's premier engineering and consulting firm.

Our team of 12,000+ experts have been shaping Canada's future through their work on major projects in the Alberta region such as Green Line LRT, George C. King Pedestrian Bridge, and Valley Line West LRT.

We Create Confidence

Al-Terra is the engineering, landscape architecture and geomatics firm that specializes in getting people where they want to go and creating places where they want to be.

Creating confidence is at the core of everything we do.
